

MAGNA TYRES WORLD BV

LIMITED WARRANTY

Every new tyre manufactured and/or distributed by Magna Tyres from December 2006, bearing the Magna name and with a complete serial number moulded into the sidewall, is guaranteed to be free of defects in material and workmanship.

If a tyre is found to be defective upon our examination, we will either repair the tyre or make an allowance against the original purchase price toward the purchase of a new Magna Tyre brand tyre, relative to the unused portion of the original tread on the defective tyre. A tyre is considered fully worn out and ineligible for adjustment when 20% or less of the original tread is remaining.

Excluded from the allowance will be additional charges for tax, service, mounting and transportation which will be the responsibility of the owner or their agent making the claim under this warranty.
